P & C HAPPENINGS

P&C - Spring Fair Update

A big thanks to each and every family that baked, contributed and assisted in serving, setting up/packing away at the Spring fair.

Please also pass on thanks to other family members who baked for us, I know many grandparents contributed which is greatly appreciated.

We had a successful day with our total profit coming in at just under \$1200.

All funds raised go directly back into our school and is spent on reducing costs on excursions and making it affordable for families or on resources for the children to utilise to learn.

All decisions on how funds are spent are discussed and agreed upon during P&C meetings feel free to come along or put suggestions forward if you have any great new ideas.

Lastly another big thanks to Seth and Lu + others who contributed to the white elephant stall they donated a lot of their belongings to assist our great school.

BEFORE AND AFTER SCHOOL CARE IS COMING TO Michelago Public School !!! Starting Term 1 2020

A tender has been accepted and we are meeting with them next week.

An information session will be held very soon so keep your eyes peeled for the date which we will advise asap.
