

MICHELAGO PUBLIC SCHOOL

Term 2 June 7 2019.

A reminder to all families that reports will be going out early week 9. Make an appointment with staff, for an interview to catch up on your child's progress.

Last week, Seth visited and provided our students with an introductory discussion on Artificial Intelligence.

Many thanks to Seth for his time and patience.

The Healthy Lunch Day turned out to be highly successful! Not one complaint from the students. Many had seconds and some asked to have more during the second break. A huge thanks to Faye for assisting with the organization. Many thanks to all our families for providing an ingredient to add to the lunch. All too easy!

Mrs Cavanagh and the Year 5/6 students have organised an afternoon treat for students and parents based around our unit of learning. Students will introduce you to "The Notables"; the most known people from our past and present history. We look forward to seeing you at their presentation.

The National Peace Project - 19 July, 2019

In this, the Centenary of the Year of Peace, your school is invited to join us for an historic National Peace Project at the Australian War Memorial to celebrate the Centenary of Peace Day (19 July, 1919) and help us make a giant peace poppy on the Forecourt.

- Friday 19 July, 2019
- 1pm-4pm
- Australian War Memorial

Although the Centenary of Peace Day falls during the school holidays, we would love your school to be involved. As numbers are strictly limited, we ask that you register each school aged participant and teachers attending as soon as possible to avoid disappointment.

If, for some reason, you are unable to attend as a school, you are welcome to forward this information on to your school families. For students who are coming with their families rather than as a school event, we ask that you forward the registration link to them so they can also register as soon as possible.
