

MICHELAGO PUBLIC SCHOOL

Term 2 July 3 2019.

Thank you to all our families for your support during this semester. We wish to thank our students once again, for a wonderful term of learning.

Many thanks to Rachel and to Timothy. We were very fortunate to have two pre-service teachers visit and contribute to our programs.

I would like to thank our hard working staff for an amazing effort in planning and collaboration. Their dedication and commitment always places our students at the forefront.

This week we had a visit from Senior Constable Warwick Hitchcock and Kelly Klingberg, a neo-natal nurse. Warwick enthralled our students with a dusting for fingerprints exercise and Kelly explained about the heart and provided students with an opportunity to listen to heartbeats through a stethoscope. AWESOME!

Our Term 3 focus on learning will be around the 'Environment and Sustainability'. We will be looking at the war on waste, plastics, recycling and much more.

We wish you all a relaxing break over the next few weeks!
