

MICHELAGO PUBLIC SCHOOL

Term 3 July 26 2019

Welcome back to all our families and students. We have another very busy term of learning ahead of us!

This term, our integrated unit of learning, centres around the environment, sustainability, packaging and recycling. Hence, we would like to introduce the concept of 'nude food' to school recess and lunch breaks. We would like to cut down on plastics and packaging and reduce the amount of waste being produced.

During week 3, the students will be sorting through rubbish, classifying and tallying the rubbish and deciding on how to reduce the waste. This will be followed up in Week 9 with a similar activity to see if waste has been reduced.

A little reminder, following our term's work on healthy bodies – we wish to encourage healthy eating and ask that lollies, chocolates and sugary fruit rollups etc are not included in lunch boxes. Many thanks!

Another Healthy Lunch day will be held in Week 6 on Thursday 29 August. Our one was such a success we have decided to have a follow up.

We will also be hosting our Sports' Carnival in September and we hope Jerangle Public School can join us.

Congratulations to the Howarth Family!

A warm welcome to their beautiful baby girl Nixen!

A warm welcome also to George and the Farmer family. The junior students are very excited at having another student in their class.

Education Week : August 5 - 9

'Every student, Every voice!'

Earth provides enough to satisfy every man's needs, but not every man's greed.

UPDATE : STUDENT STATIONARY RESOURCES

It is very important that day to day basic student resources be maintained and updated each term.

Students in K - 2 should have the following:

Box of tissues

Glue stick

Students Yr3 - Yr6 should have the following:

Box of Tissues

Glue stick

Sharpener

Pens & pencils

School Uniform

Time to update old and worn uniform.

This includes School Hats.

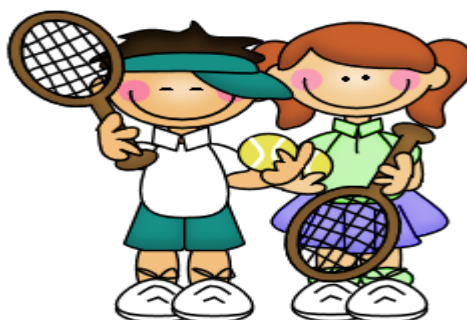

Full school uniform is IMPORTANT.

School Sport - Monday

This term , Students will be participating in Tennis lessons run by Tom Perea from Cooma . The MRCA have kindly arranged to have the lessons paid for out of a community grant. We are very fortunate to have this program in place.

All students will need to wear **joggers** on Monday for tennis to access the court.

Assembly

The first assembly for the term will be held on :

Friday 2 August

9:00 - 9:30

All Welcome!

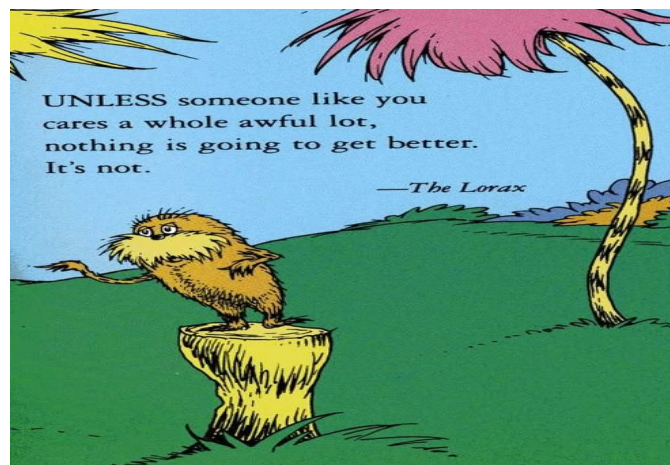

Education Week Celebration -Thursday 8 August

In keeping with our environmental theme, students will be participating in a recycling workshop hosted by Snowy Monaro Council presenters.

Students will then construct an artwork made from recyclable materials following a design planned during the previous week. Students are to bring 1 bag of materials ONLY to match their design requirements.

Recyclable artwork

The whole school will then sort, classify and tally rubbish collected from the school. They will then discuss ways to reduce the amount of waste collected. What Fun!

Reduce

Reuse

Recycle!
