Lunch day

Term 3 August 12 2019

Our students had an extraordinary celebration of Education Week this year. The Snowy Monaro Regional Council visited and provided a fabulous workshop on recycling. Our students had so much FUN sorting, classifying and tallying our school rubbish and waste. Let's all work on reducing our waste as the term progresses.

The recycled artworks were definitely creative and inspiring! Our students were certainly focused on doing their best. Our activities are all part of incorporating STEM into classroom practice. We will display copies of these works in the classrooms.

Many thanks to Emily for providing our students with a delicious Celebration Cake!

If you have any concerns or inquiries please approach the staff. We are more than happy to assist you

CONGRATULATIONS TO LUKE PERRIN
