Canberra Raiders A*S*P*I*R*E Program

Friday 13 November

The ASPIRE Program is a wellbeing program designed for senior primary school students that uses a football analogy to deliver messages of respect, resilience, teamwork, identity and belonging, health (physical and mental) and leadership. The ASPIRE Program is specifically about what happens off the field, and is a program committed to positively contributing to the communities we reach.

MPS is fortunate to have been chosen to take part in this program which will be delivered by former Canberra Raiders captain Allan Tongue.

From Claire's Desk....

To all our dear families:

What an amazing turnout for our Curious Creatures day! It was absolutely delightful seeing the students dress up as weird and wacky creatures. The *curious creatures* that were brought in were also highly creative and imaginative.

Many thanks to Mrs Tillack for organizing a very successful Book Fair. The students have spent a lot of time perusing the books and making selections for their wish list. Family contributions were the best we have had for a long time.

Mr Buckley has kindly organized end of year, 2020 T Shirts for our students and has ensured students will receive them on time. The T shirts are \$15 and can be worn as part of the school uniform.

Presentation Awards will be held on Friday morning, 11 December. This event will be aimed at presenting students with their certificates for the year, including the major awards. We will have a morning tea for the students to celebrate the end of the year. We have reviewed the Department of Education's Covid-19 guidelines and as yet parents will not be able to attend. However, we are hopeful that changes to the restrictions will be made.

Senior students will be putting on a Talent Show separate to the presentation; also during school time which we will video for parents and carers.

Thank you to all those families who returned the School Evaluation surveys. If you have forgotten to send the survey in, it is not too late.

If you have any concerns or enquiries, please contact staff.

Regards Claire

WHS Matters

Drive carefully - Keep our students safe!

The signs appear to have made an impact on flow traffic in front of the school which is fantastic!

Important

Coronavirus :

- Please ensure any students who feel unwell **do not** attend school.
- These students are required to stay at home.
- Students must have a COVID test and evidence of a negative confirmation is to be presented to the office before returning to school.
- **ABSENCES:** Please remember - If your child is absent, the school must be informed by email, text, phone , verbal or written message. This affects roll call requirements.
