Mrs Cavanagh's 3-6 class have been busy painting beautiful country scenes in acrylics

From Claire's Desk....

To all our dear families:

The learning term is busily underway with our integrated study focusing on 'Australia All Over!' Our students are extremely engaged and enjoying the learning opportunities provided. It is always surprising to find out how much and how little our students know! Mrs Cavanagh will be sending home a research project for students from Year 3 to Year 6.

If you have any queries, please contact Mrs Cavanagh.

Mrs Tillman Ryan will be conversing with families in regards to Learning Plans for students over the next few weeks. These are follow up conversations which were delayed during COVID19. We look forward to your input on student learning and welfare.

Although we are holding school assemblies, parents and carers are still unable to attend or enter the school grounds, without due cause, until we have the all clear. Thank you so much for your consideration of these matters.

As always, please contact staff if you have any concerns or queries.

Regards

Claire
