From Claire's Desk....

To all our dear families:

Thank you all for your understanding of changes to COVID procedures since last week. As you will be aware by now, students who have any cold or flu like symptoms must have a COVID test. They cannot return to school without a negative result and evidence presented to the office.

Students in Years 3 to 6 have a geography assignment to be completed for Mrs Cavanagh. As part of this assignment, students are required to construct a model at home of a natural Australian geographical feature, which they have already chosen.

All the staff and students wish our fathers and grandfathers', a very happy Fathers' Day next Sunday 6 September.

As always, please contact staff if you have any concerns or queries.

Regards

Claire
